| Finish Color: | Creamy white with a cherry picotee, blushing to all burgundy |
| Fragrance: | Moderate cinnamon spice |
| Trial Results: | Shown to perform best in the Southwest and Midwest |
| Parentage: | Fourth of July x unknown |
| Introducer: | Weeks Roses |
| Hybridizer: | Tom Carruth/Christian Bedard |

Most notable features.

- No two flowers are exactly alike on this changeable chameleon of a rose. Black-red buds spiral open to show off swirls of cream edged & washed with vibrant cherry pink. But that's not the end of the exhibit on these classically-formed fragrant flowers.
- When the sun strikes the petals, they begin to blush burgundy, finishing as a deep dark red.
- Put all this color against super-shiny-green foliage with nice long cutting stems and you've got a killer combo.
- Easy to grow, great vigor – a beautiful bushy baby from the famous *Fourth of July*.
